BROOKLINE PUBLIC LIBRARY

To the Class of 1973:

You are about to pass a major milestone in your lives and I feel that I have been part of this segment of the sojourn. We arrived at Brookline High School in September, four years ago, and in a real sense "we" will be graduating together.

We will surely remember our first year as one of upheaval. The national social political climate was volatile and tense and the High School reflected these pressures dramatically. We began to apply remedies. Reorganizational and structural changes occurred first; and gradually we made major changes in curriculum, in seeking new directions and in redefining objectives.

In our Junior year the High School was evaluated. After a year of self-appraisal and intensive scrutiny, fifty members of the New England Association of Schools and Colleges visited us for three days in May. In September, 1972 we were notified that our accreditation has been extended and approved for the next ten years.

Our Senior year is vastly more pacific and contained than our first years in the High School. A higher degree of serenity and maturity prevails. We have truly "grown up" intellectually and socially, and with maturity has come better balance, improved judgment and even occasional wisdom.

I wish each of you success and complete happiness. I pray that your interior lives will expand and enrich you. Ad ognuno di voi: tante belle cose, buona fortuna ed ottima salute! Auguri!

Man hath no greater gift to give than himself. With this thought in mind, the 1973 Murivian is dedicated to Mr. Carlton Warren, who has given thirty years of his life to Brookline High School.

Mr. Warren taught, led the science department as its chairman, and headed the scholarship program. During those years, he brought many major innovations to Brookline's science curriculum.

Yet it is more important to remember Mr. Warren as a human being. He always tried to help people or send them to others who could. He made an effort to make science appealing to all students, to make classes interesting and different, and to make the subject mean something to the student even after the course ended. The school should be forever grateful to him for the work he has done, but more importantly, for his being Mr. Warren.

# STUDENT FACULTY LOUNGE

The Student Faculty Lounge, one of the most impressive new additions to BHS, became a reality at the beginning of the school year. It took quite a bit of hard work, determination, and a little bit of craziness, but it happened. Equipped with ping-pong table and stereo system, the Lounge is a welcome place where both students and faculty can go to relax.

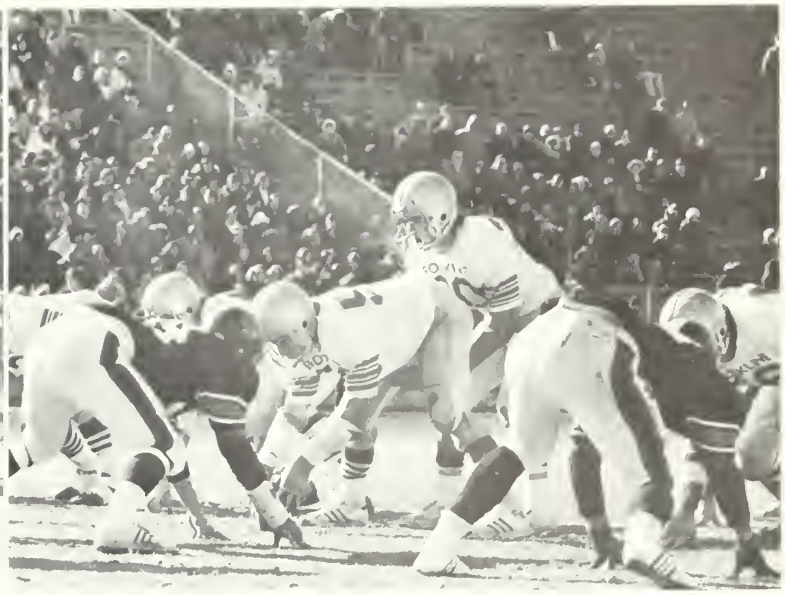
The 1972 football team had a very successful season overall. The team had a 7-2 record. Their ability, desire, and determination could not have been better shown than on Thanksgiving Day when they destroyed Newton. The score . . .



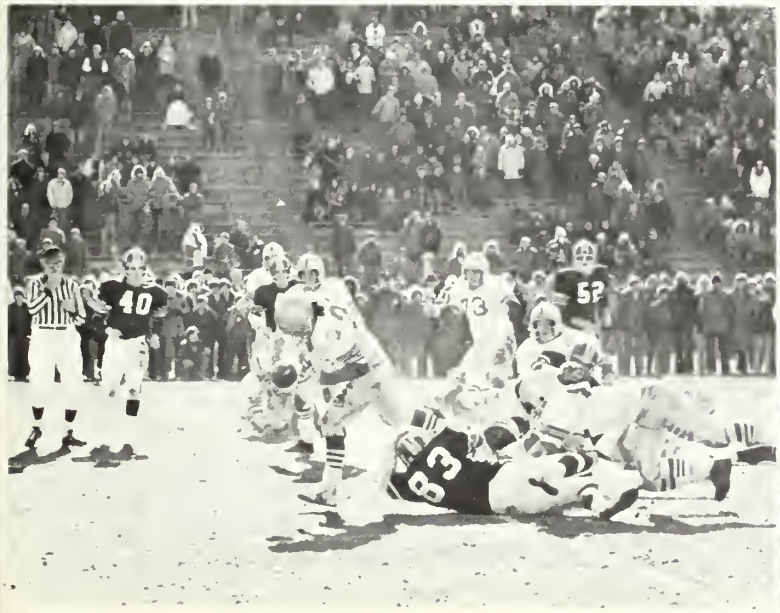
# BROOKLINE

## 20

With this close of the 1972 football season, Brookline, (with a smashing win) evened their all time record against Newton 35-35. Although the Brookline squad had intentions of playing with cleats, an unexpected change of weather, found them searching for sneakers. Saved by the crowd, and some prepared parents the show did go on. Even with Billy Seibolt wearing Tommy O'Leary's sneakers.

# NEWTON

## 6



BILL SEIBOLT: CO-CAPTAIN—"Billy is one of the top football players in New England. He has everything that is necessary to be a great college or pro prospect; size, speed and determination. He loves to play. He handles himself like he is a 170 pounder not 6'4" 235 lbs. . . . he has the co-ordination and agility that comes from a smaller person and this is what makes him outstanding. He also makes the most of his potential as he is one of the hardest working team members both in games and practices." Editor's note: Besides being a BHS co-captain, Billy was selected to the all league, and all scholastic teams. We have recently learned that Billy was also selected to Parade Magazine's All-American High School football team. Congratulations, Billy!!!

BILL STERRETT: CO-CAPTAIN—"Billy was a key to our success this year. He weighed only 140 lbs. but he started both offensively and defensively. He was a spark plug, a leader. He was an excellent outside runner because of his agility and speed. Despite his size he was a very durable player."

RICH SIMMONS: CO-CAPTAIN—"Rich has started since he was a sophomore. He is a good natural athlete. He did an excellent job defensively where he played corner linebacker. He was also very important for backfield positions which gave us the flexibility we needed because of our lack of depth."

JIM ROURKE: ALL-LEAGUE TACKLE—"Jim was a returning letterman. He went both ways. I felt that he improved continually. He started good and ended great. He had a good combination of physical abilities and determination which contributed to his success."

BRUCE GUTIERREZ AND GARY TRAVIS: ALL LEAGUE HALFBACKS—"They complemented each other very well. They were exciting runners, good speed, strength for their size. They were durable. Each broke for a long run during the year. They helped Brookline have a balanced attack because no team could key in on one person. In almost every game one of them broke for a long run."

# VARSITY SOCCER

The 1972 soccer season was supposed to be a rebuilding year, but with a lot of hard work and dedication the team was able to make the year very successful. Their record was 6-5-7. Though it took the entire team to make this record two players received special recognition for their excellent play. Shahaf Gal and Gary Fay were the selected members for first team all-league at their respective positions.

As the 1972 Cross Country season began, the team was optimistic of having a good year. Unfortunately, they were plagued with bad luck all season and were not able to live up to early season expectations. Despite their tough luck, there were many highlights. Besides winning key meets against Cambridge Latin and Arlington, the team always had individuals who performed well. Perhaps the best individual effort was by Steve Hunt, who placed in the League Meet as a sophomore.

# SUBURBAN LEAGUE CHAMPS

Harry Pins Him Again!

The 1972-73 wrestling team won the league title for the second time in the last three years. The team had a season's record of 11-2-2. The season was highlighted by a first place finish in the Brockton tournament and a third place finish in the sectionals. Naturally, with such great success, there were many individuals who had outstanding seasons. Perhaps the best of all was M.V.P. Gil Hoy, who was undefeated throughout the season and won in the sectionals. Other outstanding performers were sectional champs Harry Conforti and Peter Edgerton, Bruce Gutierrez, co-captain Gene Harris, Kevin and Jim Griffin, Gary Belt, Joe Loporto, Jeff Berkman, Lawton Cooper, and Jim Rourke. A special mention should go to Gil Hoy, Bruce Gutierrez, Jim Rourke, Harry Conforti, Peter Edgerton, and Jim Griffin; whose endeavors we were unable to follow as far as the state meet because of a deadline.

Row 1—Chris Brown, Dick Mitchell, Sue Maze, Louisa Jackson, Karen Keith, Felicia Carpenter, Richard Thompson, Steven Hunt. # BASKETBALL

The 1972-73 Basketball team had a deceiving record of 11-9. Even though they won just over half of their games, they were in all of them and with a few breaks they could have been a tournament team. Throughout the season there were many highlights that will long be remembered; the victory over league co-champ Newton, the victory over tournament-bound North Quincy, the naming of junior Kevin O'Boy to the Suburban League All-Star team, the development of "sophomore sensation" Mark Young, the dedication with which the team played, and the friendly atmosphere that pervaded the team. It should be noted that such an atmosphere could not be possible without the dedication and interest of Coach Slaven.

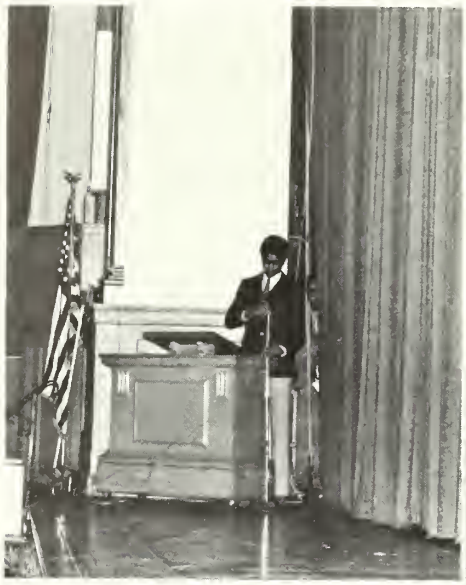
The 1973 hockey team had an outstanding record of 10 wins, 5 losses, and 3 ties.

Despite their excellent record the team just missed qualifying for the state Hockey Tournament. The season was highlighted by many team and individual accomplishments. Of all the games, the two best remembered are probably the 4-3 victory over Hingham at Ridge Arena, and 1-1 tie with Arlington when goalie Mike O'Leary had 43 saves. Individually Mark Hetnik and Gary Fay deserve a hearty congratulations for being named to the Surburban League All-Star team and to Gary a special congratulations for being chosen to play on a team that will represent the United States against Russia.

# BLACK HISTORY WEEK



Black History Week, February 12-17, was sponsored by Brookline's Black Awareness Club. Highlights of the week included a concert, dancing, skits with students portraying important blacks in history, and a soul food dinner.

Hiroko Yamamoto, Brookline's first Japanese exchange student, is from Nagoya, an industrial city near Tokyo. Until this year, she attended Nagoya International School for her high school education.

Hiroko has a heavy schedule at Brookline High school, taking such courses as Biology, Math, English (a foreign language to her), and American History. She also works and plays on the B.H.S. volleyball team. Hiroko claims that the students in Japanese public schools have to work much harder and that they do not have the freedom to select their courses, as Hiroko has been able to do here.

Although she has been enjoying America, Hiroko is eager to return to her home in Japan.

What's it like to live away from home for a year in Japan? For Steffi Rotenberg it is a fun and exciting adventure. She is part of an exchange program with the Nagoya International School in Japan. The exchange is the project of Miss McDonald, assistant superintendent of schools. The headmaster from the school came to visit, and the idea of a student exchange was discussed. Steffi's name was mentioned because the Rotenberg family had lived in Japan from 1968-69 and because Steffi had become very interested in Japan, and began taking private lessons in Japanese.

Nagoya International School has a population of 200 students—quite a change from BHS! The school is much more conservative—no open campus either! Steffi is living with Hiroko's family and intends to graduate in Japan, rather than BHS. We on the staff admire Steffi for her accomplishment.

One of Brookline's more distinguished visitors this year was the Russian educator Dr. Boris Diondik, from the province of Irkutsk.

Dr. Diondik was impressed with the textbooks and the language lab equipment at Brookline. In addition to observing classes, he taught several of the Russian classes at B.H.S. The students were forced to answer his questions as quickly as possible, as students in Russia are expected to in their classes. The Brookline students found him to be unfriendly at first, and thought he was "strict, but nice".

The 1972-73 *Murivian* is the product of the efforts of many hard-working people who were totally selfless in getting everything together in order to make this yearbook something to treasure and look back through in future years.

We, the editors, wish to thank Iris Goulston, Diane Alpert, Joni-Sue Blinderman, Susan Tetove, Maureen Flannery, Audrey Delanjian, Adah-Lou King, Steve Levine, Pete Maimonis, Jeff Becker, Karl Gee, Josh Gutoff, Mike Fisher, Dave Gottler, Matt Berry, Frank Dunning, Renee Brown, Karen Shashoua, Laura Alpert, Tom Mellins, Marcia Goldberg, the BHS coaching staff and all our teachers.

Our special thanks go to Marcy Clebnik, Priscilla Terres, Jodee Siegel, Jack Sparks, Mr. Cohen and Mr. Tupa.

The three people who stand above all of the previously mentioned are Mrs. Dowd (our faculty advisor), Mr. Passalacqua and sophomore sensation Ellie Dimento.
